

CAMP ILLAHEE

Closing Day Checklist

- All trunks and duffles are ready for pick-up. When you arrive at the “loaders,” please tell them your camper’s name and cabin number if known. They will load your car and direct you to parking. **(Please do not leave your car unattended before parking in one of the designated areas!)**
- Be sure and check through your daughter’s cabin for any items that may be “hiding.” Commonly left items include clothing on the clothes lines, arts and crafts and woodworking projects, riding boots or helmets, tennis racquets, medication, and laundry bags.
- All medication was returned to campers this morning. There is no need to check in with the nurses unless you have questions or find that you are missing a prescription.
- The Ship’s Store will be open around the back of the office. You may pay cash or charge any items purchased this morning. We do have a few extra sets of Photo CDs from the session. Those campers who pre-ordered CDs received them this morning in their white packet with their camp “log.”
- All Ship’s Store accounts will be settled next week by mail. You will receive a refund check or an invoice depending on the balance. Thank you for settling accounts quickly.
- If your camper shipped a trunk or duffle home, it will leave this afternoon by FedEx Ground.
- Please check your camper out with your child’s counselor. There is no need to stop by the office.

A Note on 2007 Applications!

Our 2007 applications will go out to all campers and all prospective families on Monday, August 7th. If you think that your camper may be interested in switching sessions in 2007, you can download an application on Monday the 7th so that you can FedEx it back in. Otherwise, a camper re-enrolling in the same session will have until September 15, 2006 to guarantee her spot in the same session.

In a few days, we will email you a link to our online survey and feedback form. **PLEASE** take a few minutes to give us your candid thoughts on how the summer went for your camper(s). It is from these surveys that we get ideas about how to make Camp Illahee even better, especially in making return staffing decisions. It has been streamlined for this summer, and should not take more than a few minutes to complete.
