

CAMP ILLAHEE

Opening Day Checklist

We are thrilled that opening day is here and that your camper is a part of it! Please use this checklist to insure a smooth opening day. Thanks from Laurie and Gordon Strayhorn and all of the 2008 Illahee staff!

- Please make sure you unload all of your daughter's gear from your car and park in designated areas. **(Please do not leave your car unattended before parking in one of the designated areas!)**
- Turn all incomplete forms in to the office. If you know that you have sent in health forms, travel forms, etc. and have paid all balances, **you do not need to stop by the office.** The cabin counselor will check your daughter in upon arrival.
- Please share any recent developments or special instructions concerning your daughter with her counselor(s) if necessary.
- Please drop off all medications (including aspirin, vitamins and over-the-counter medications) in the original container with dispensing instructions at the Wishing Well (health center).
- Stop by the bottom of Curtis to visit our Ship's Store for any additional purchases. **Pre-ordered items will be distributed to campers this afternoon after your departure. Please leave a check for your deposit and pre-paid items if you have not already mailed it in.**
- 2009 camp applications will be mailed tomorrow, but NOT to Junior campers. We encourage you to stop by the office or Ship Store to pick one up. You are welcome to leave it with us with the deposit. (If left today and you change your mind after your camper returns, we will return the full deposit).
- Hug your daughter goodbye. (We recommend that you not linger; it is best for the campers if parents make their goodbyes brief.)

Please feel free to contact us throughout the week with any questions or concerns... laurie@campillahee.com or gordon@campillahee.com. We would also like to remind you of our **NO package policy**; please advise any friends or relatives who may be sending mail that packages will be returned to the sender unopened.

THANK YOU FOR SHARING YOUR DAUGHTER WITH US THIS SESSION. IT IS GOING TO BE THE BEST SESSION EVER!
