

WELCOME TO CAMP ILLAHEE!!

In making travel plans to camp, we would like to share the following helpful hints:

- Orientation begins on Monday, June 2nd (arrive between 3-5 p.m.); please do not make travel plans to arrive prior to this date UNLESS we have arranged for you to take a pre-camp training workshop – thanks!
- You will be able to leave camp on Friday, August 8th anytime **AFTER** 1:30 p.m. (Please schedule flights at 3:30 p.m. or later on August 8th).
- **It is best to coordinate your airline travel with Kim BEFORE purchasing a plane ticket. She can help with dates/times/airport information.**
- The closest airport to Illahee is near Asheville (AVL), located about 30 minutes from camp; if **AT ALL POSSIBLE**, please coordinate all flights to arrive/depart from there. Delta, US Airways, and Continental are the airlines that have service to Asheville. Greenville (1 hr. 30 min.) and Charlotte (2 hr. 30 min.) would be the next best alternatives.
- While using Priceline, Expedia, or Orbitz are often preferred means of purchasing a plane ticket, we appreciate you arriving/departing camp on the specified days.
- The closest Greyhound bus stations are Hendersonville (30 min.) and Asheville (45 min.) in the event you need transportation alternatives that will bring you close to camp (see their website: www.greyhound.com for time schedules).
