## HELPFUL HINTS FOR PACKING AT IILLAHEE

- If your daughter brings a mattress cover or egg crate for her bed, she **MUST BRING IT HOME**.
- Medication should be easily accessible so that **it can be given to our medical staff during check-in**. It must be blister-packed and prescribed by a doctor.
- Shoes/boots should have been worn and broken in to prevent blisters.
- Please label your kid's clothing! Laundry is organized by cabin, and clothes get mixed together.
- If your daughter wants to bring specific items for her activities, she can, but this is **NOT REQUIRED** as we provide all needed items. (Equestrian Boots/helmet, Lacrosse Stick, Bike Helmet, Etc.)
- It helps to pre-address envelopes for your daughter, especially if they are younger.
- We often dance with a local boys' camp during the June and July sessions. Girls are welcome to bring a nicer outfit, but wearing a T-shirt is also fine!
- We strongly encourage you to leave expensive brand-name items at home.
- We recommend that some of your clothing be synthetic rather than cotton to help dry out quicker.
